Good morning Tracy,

I would like to introduce you to Lydia Sims, who is a constituent of ours and is interested in getting involved with ways to help homeless individuals.

Lydia expressed interest in feeding folks in need and I suggested she connect with the West Hollywood Food Coalition. I know you have worked with them so I wanted to put Lydia in touch with you in the hopes of getting her involved with the Food Coalition.

Please let me know if there is anything I can do to assist, or let me know if you have any questions.

Thanks!
